bold is...

moving your business from garage to loft without blowing your budget.

Cool, affordable office furniture...fast.

It's amazing how fast business moves. One day, you're working in the space of two mid-sized cars. The next, you're in an office the size of ten garages. With Bold Furniture, you'll get affordable, designer-grade furniture shipped to your office when you need it.

bold is...

going from two to twenty employees in five days flat.

Fast, flexible office furniture...really.

Pinch yourself, it isn't a dream. Last week, you had two employees (including yourself). Now, you've got eighteen new hires needing tax forms, lunch and loads of furniture. With Bold Furniture, you'll get attractive, versatile office furniture in just five days. You'll also get it for a price that's very accommodating.
